312 AMENDMENT

Sir:

The courtesy of the interview extended by Examiner Hoang M. Nguyen on August 14, 2006 to F. Lindsey Scott is acknowledged with appreciation.

At this interview, the entry of references contained in the Supplemental Information Disclosure mailed to the Patent Office March 28, 2006 was discussed. The Examiner stated that the copy of the Supplemental Information Disclosure received by the Patent Office was illegible and as a result the disclosed references were not shown on PTO Form 892.

It is hereby requested that the references included in the Supplemental Information Disclosure Statement mailed March 28, 2006 to the U.S. Patent Office, a copy of which is enclosed, be considered and that the PTO Form 892 mailed July 11, 2006 be revised to include the references shown on the Supplemental Information Disclosure Statement.

It is assumed that the earlier cited references by Applicants in an I.D.S. attached to the Office Action mailed July 7, 2005 have been considered and will be listed on the issued patent. If such is not presently the state of the file, it is respectfully requested that they be listed on the issued patent.

Respectfully submitted,

F. Lindsey Scott
